slave child), Jonathan (a Jewish girl rejected) and Lupus (a child of beggar without tongue). The series has won numerous prizes and has been published in many different languages around the world. In March 2010, Lawrence was commissioned to write another series of MyStery history books called the Western Mysteries, located in the city of Virginia, Nevada's territory at the beginning of the 1860: Biography this biography of a living person It depends too much on the references to the primary sources. Please help by adding secondary or tertiary sources. Polytic material on living people who are not motivated or badly of origin must be eliminated immediately, especially if it is potentially defamatory or harmful. (March 2010) (learn how to eliminate this template message) Lawrence was born in London, England. The Americans' parents returned to the United States little after, and she grew up in Bakersfield, California with her younger brother and her sister. She teached English and drama in a local high school and her mother was an artist. When she was twelve, Caroline's family moved to Stanford University in Northern California so that her father could study the linguistic. Afterwards, she studied classics in Berkeley, where she won a Marshall scholarship to Cambridge. [1] She there, in Newham College, she studied classic art and archeology. After Cambridge, Caroline remained in England, and later she took a master's degree in Hebrew and Jewish Studies at College London University. She then she taught Latin, Franc s and art in a small Elementary School of London. In wrote the thieves of Ostia, the first in a series of stories of childhood adventures established in ancient Rome, the book was published in 2001. The Roman mysteries combine.love for art history, ancient languages and travel. His other passions include film, jazz and London. Caroline has a son Simon, from a previous marriage, and now lives on the Thames in London with her husband Richard, a graphic designer. In 2009, Caroline won the Classical Association Award of 5,000 for "a significant contribution to the public understanding of the Classics." [2] Lawrence has also worked on the educational website of the University of Reading Romans Revealed, creating stories about Roman Great Britain up close based on archaeological findings. [3] In 2013, she was elected President of JACT (Joint Association of Classical Teachers) following in the footsteps of Boris Johnson, Bettany Hughes and Paul Cartledge.
