Features - Easy and simple to play - Amazing Animations - Cool ABILITY DESIGN AND EFFECT - More than 50+ DBZ FAMOUS FIGHTER - Flexible Mowing Play - A lot of challenges and phases games are very different from the team of Budokai tags often Tenkaichi series; They use a prospect of the third person's camera "behind the back". Also different from the Xenoverse and Budokai series, every form is treated as a personal character, with various statistics, movies and combat styles, the ki gauge can also be used to use moves called moves called delicacies 2 skills. Each character has a unique set of explosion skills 2 that allow the character to use special moves such as ki explosions and physical attacks. The characters also have a car-charging numeric caliber called Blast Stock that allows players to use Blast call techniques 1 skills. Blast 1 The skills usually have a support effect like allowing the characters to find the health or immobilize the enemy. Players can also turn on a mode called Max Power Mode mode normally by building their ki beyond the full cost of spare bars. Deliberative and exciting action! - Recommended for Vegeta fans, Goku Black, Beerus Sama (Bills), Zaguasu, Android 18, Gohan Broly and all heroes Z. Similar to the same mode in the Budokai series, the player can enter a world tournament and try to conquer The road upwards. There are three levels of the basic tournament and a cell mode. As the characters can fly, the characters can leave the arena perimeter, but will be called to render if they touch the ground. It's a free version of the game.
