She is wonderful client Cut & Wash Wash, Rollers , & Blow Dry My cut and blow dry came out amazing! However, I had to put 3 stars instead of 5 because the pricing did not match what's listed in Booksy. Either tha...t or they just give out random pricing based on who you are... My app total was a little over \$50 for a wash, cut, and blow dry. The app took a prepayment of \$18 and some change. When she was done she told me the app doesnt work to take payment and told me my total would be \$60 on top of the \$18 i already prepaid. So, \$78 for a wash, cut and blowdry. Not to mention I threw in a extra \$10 for tip. Thinking back, that's much more than I've ever paid for what I mentioned. Also, I arrived at 9:22am and left shortly after 12. They were very nice but also had 2 other ladies to attend to so I understand. The owner onis came in during my time there and for some reason I thought she was the one doing all the bookings but it's another lady who I didn't catch the name of... just a heads up in case you think you'll get onedia in your booking.
