Earlier in search I used the lamp to see four boy rehearsals, but now the lamp will not work in the bright light areas. Last team posts that there is again in the Furins teams. Discussions Home market transmission workshop. Close Kaer Morhen and epicogo epicogue Complementing the crew in Kaer Morhen Previous Kaer Morhen and epicogo finishes something epilogue, something gets ghosts from the past - you must have the lamp received from Kaer West Kaer Morhen you will find Great ruins of an old bastion. After killing some ghosts (Level 26-27) Lamp of use Magic received from Keira Metz to investigate clues from the past in four places in the bat. You will be able to start looking for the boy's body. Remains of the boy in the tower reach the tower, using the ladder on the eastern side. You'll find the tower bones. After you bury them in the marked place, the quest will end. The Witchers' Forge First You Find a book in Kaer Morhen. There are spiral stairs behind the kitchen - do not walk on them, instead of going to the opposite side of the entrance, you will see the book you see in the chest. After picking it up and stick it, the search starts. "Altar" at the entrance to the forge now you must reach the iron mine south marker of Kaer Morhen, on the river (west side) a. Once you get into the cave, you will quickly find an elemental earth at the 30th level. Once you will kill you, the "altar" to the "altar" and put the book you encountered above. The entrance to the forge will be open. Bakes and entrance highlighted hidden in the oven Use the bellows to heat the fire. A ghost will appear and it will summon an elemental of fire (IFRIT) on the level 30. Use the North Wind Pump to end the fire and be able to attack it freely like any other golem. Dimetrium pump can also be used to make it impossible for him to throw fireballs. After defeating the enemy, walk to the oven, there is an illusion there. Behind there is a closet where you will find three low quality armor - not a good reward, so you should not complete this mission if all you want are rewards. Greenhouse Effectyou will easily recognize the place - is the only place where you can find storm on a very low level altitude will come to the place where you can find climate anomalies. It's Southeast of Kaer Morhen. To get there, get the end of the way where a branch is leading through a river. From this place you should go directly. On the map, you will see a part of a path that has no end or end, also horizontally. The "greenhouse effect" can be found behind a stone. Once you reach it, examine the items around lying and with the eye of Nehaleni (the artifact received from Keira) to examine the rock near these items (is more or less half the size of Geral't) . You will find hidden notes there. After you make them you should use Ign signal on two stone pillars and Aard sign in the third. A Demain (Level 27) will appear. After defeating you, you should wait 24 hours before you revisit this place. Some herbs will appear here, then, once you will collect them, the search will end. Monster SlayerTroll in your east cave of the hut on the lake (marker) swim or walk along the beach for a small bay where you will find entry of a cave. Inside you will find a troll (level 26). Matuate it and look for the cave. You will find some notes. After reading them the search will end. Next Kaer Morhen and epicogue epicogue complementing the crew in Kaer Morhen anterior Kaer Morhen and epicogo epicogo ends something, something begins begins
