Download Grand Theft Auto San Andreas Mod to GTA V Lite Android Game. Five years ago, Carl Johnson escaped from life pressures in Los Santos, San Andreas, a city coming off with trouble problems, drugs and corruption. Where FilmStar and millionaires do their best to avoid retailers and gangbangers. Now, the early 1990s. Carl remained at home. Mother of him was murdered, his family has fallen apart and childhood friends of him are all heading towards the disaster. On his return to the neighborhood, a couple of corrupt policemen surround him for murder. CJ is forced to a trip that leads through the whole state of San Andreas, to save his family and take control of the streets.
