This enables works to be used in specific ways under certain conditions, without being regarded as a copyright infringement. If the situation in which it is reproduced is fully reliant on the copied works, it could be deemed to be an infringement of copyright. Business Advice By using this site, you agree with our use of cookies For example, if you're quoting a piece of literature, how much can you quote without exceeding fair use? There are several different things that can happen if you are caught infringing on a copyright. Sound recordings 70 years from the first release of the work. You might be wondering whether there is a limit to how much of a piece of work you can use under fair dealing copyright. There is a wide range of works to which fair use copyright or fair dealing laws may apply in the UK. For example, if a member of the public filmed a home movie that accidentally included part of a poster on a wall or background music. These works include: Artistic works Dramatic works Literacy works Musical works (excluding printed music) Typographical works Written works What does fair use copyright allow? This is typically done through mediation, in an attempt to reach a resolution without beginning legal proceedings. Incidental inclusion is separate from fair use copyright, but it's also worth discussing. Literacy, musical, artistic or dramatic works 70 years from the death of the last remaining author of the work. Incidental inclusion happens when part of a copyrighted work is included unintentionally. There is a specific exception in copyright law to allow for incidental inclusion. On the other hand, if the copyrighted material could be deemed as integral to the film or image in which it has been captured, this will not fall under the incidental inclusion exception and could be deemed to be an infringement on copyright. In general, copyright laws mean that you are not allowed to reproduce copyrighted material without the express consent of the copyright owner. Breaching these rules is known as copyright infringement. What happens if you use copyrighted material without permission? Film (creator unknown) 70 years from the creation of the film, or 70 years from when it was first made available to the public. What does fair dealing copyright apply to? Literacy, musical, artistic or dramatic works (author unknown) 70 years from the creation of the work, or 70 years from when the work was first made available. Many copyright owners will try to resolve the matter privately, without attending court. You might have heard about fair use copyright, also known as fair dealing, which allows you to use certain types of artistic work for specific purposes. If the artistic work that has been incidentally included is not integral to the film or image, it falls under incidental inclusion. Broadcast 50 years from the broadcast date. The question of whether a case falls under fair use will depend mainly on the importance that the copied content holds. It also helps to prevent disproportionate penalties from being awarded for the accidental or inconsequential inclusion of copyrighted material. Type of works End date of copyright Film 70 years from the death of the last principal director, author or composer. This is an objective decision to which there is no strict formula to be followed. Parliamentary copyright 50 years from the creation of the work. In copyright cases that have gone to court, the judge will assess whether the use of the copyrighted material is justified or excessive. But how does fair use copyright in the UK work and how can you ensure that you comply with it? The purpose of fair dealing is to permit free speech and accurate news reporting. Crown copyright 125 years from the creation of the work. Fair dealing copyright allows works to be reproduced for specific purposes. There is no definitive list of these uses, meaning that it can be difficult to establish what is and is not classed as fair use in the US as it is open to interpretation. What is incidental inclusion in copyright? If you're still not sure, it's always best to seek legal advice to ensure that you don't accidentally infringe on copyright. Whilst a copyright is in effect, you are unable to reproduce the work unless the use falls into one of the exceptions, of which fair use is one. If you're unsure of whether a work is still within its copyright period, you can find the full guidance on the government website. What is fair use copyright? However, in UK copyright law there are copyright exceptions that include fair dealing. However, it's worth noting that there isn't a one-size-fits-all rule when it comes to fair use copyright law so each purpose must be carefully considered before deciding to reproduce the works. On the other, fair use is a concept in the United States which can apply to many different uses of copyrighted material. It doesn't matter if the material falls in the foreground or background, or the size of the material, as long as it is not integral. This includes for the purpose of criticism or review, in reporting current events and for non-commercial research. The main difference between these two terms is that fair dealing is the term that is used in the UK whilst fair use is typically used in the United States. The list of available exceptions is set in law, meaning that it is clear what is and is not classed as fair dealings in the UK. How long a copyright lasts will depend on the type of work in question. The proportion of a piece of work that can be reproduced under fair use copyright will depend on the individual circumstances. If you use copyrighted material without the express permission of the copyright owner, and if none of the copyright exceptions apply, you will have committed a copyright infringement. In this article, we'll explain everything you need to know about fair use copyright, from when it applies to what exactly it allows you to do. However, copyright doesn't last forever, so eventually, the copyright of a piece of work will expire. Typographical arrangement of published editions 25 years from the publication of the work. Examples of purposes for which fair dealing is often acceptable include: Quotation Criticism or review Educational use (for the purpose of instruction or examination) Preservation or replacement copies Research or private study (non-commercial) Reporting of current events Text or data mining (non-commercial) Parody, pastiche or caricature For example, through fair dealing copyright, it is typically acceptable to quote literacy works or written works, providing that: The work has been made available to the public (eg is published) The work is being used for an acceptable purpose under the terms of fair dealing The quotation is justified and no more than necessary has been included The source and author of the material is referenced Fair use vs fair dealing UK Both fair use and fair dealing are terms that are used to describe cases where permission is not required to be sought from the copyright owner for the reproduction of the works. Fair dealing in the UK provides specific circumstances where work can be reproduced without a copyright infringement taking place. How long does copyright last? But how long does copyright last? The table below details the length of each type of copyright. Unfortunately, there is no straightforward answer to this question as there is no set percentage that can be used. How much of a piece of work can I use under fair dealing? Fair dealing enables the lawful use and reproduction of copyrighted material, without needing to seek permission from the owner of the copyright or the creator of the work.
