Nowadays, Android phones are everywhere, and everyone can access it, but there is an inconvenience that not all games or applications can be installed for all phones. Those apps or games, sometimes not available to your device, depend on your Android OS version, screen resolution, or countries where Google Play is allowed to be accessed. So APKSolo, we have the APK files available for you to download as Free Voice Changer Sound Effects & Voice Effects Pro APK v1.02.12.0203 and don't stick to these restrictions. Descriptions : "Free Voice Changer - Sound Effects and Speech Effects" is a fun voice changer that allows you to convert your voice into another sound effect. Not only can it change the voice while recording, it can also import the audio files from your mobile phone. All sounds can be changed! "Voice Changer With Effects" is the best voice changer app for Android. The proof is that millions of users over the world are having fun with it. Have you ever heard how your voice sounds if you were a robot? or a squirrel? or a monster? If you want to have fun, this app is for you. "Voice Changer With Effects" is the app that will make you laugh. Do you know how your voice sounds if you breathe in a balloon full of helium? This is a very funny effect. But this is not the only one. "Voice Changer With Effects" offers you more than 40 different effects. You can hear your voice like if you were in a cave, like if you were using a megaphone, like if you were a sheep or a giant, and even like if you were drunk! You can record your voice, and apply effects to it, but... that's all? No, there is more! This app allows you to share your modified voices with your family and friends. You can save the recordings you like. You can import any sound in your device and apply effects to it (for instance, you can hear your favorite song like if the singer was an alien). You can import previously saved recordings, so you can combine effects! Also, you can set any recording as ringtone or notification sound. And you can combine a recording with an image to create a video! I was not sure this would be as fun as it has been but, damn!, this app makes me laugh. It's easy to use and has many more features than I expected it to have. Love it, well done. Man this app is awesome. My daughter, her boyfriend and me have laughed and laughed at the way we sound on some of these. Change your voice and have fun listening to your modified voice!
