My twin girls are 4 and my son is almost 2 years old. November 2013 was the epic Disney movie of yes, you guessed Frozen. Now thanks to Disney if you have children who are age... say 2 through I don't know 10. Who I am joking no matter what age you are, most of us are now what I call "Frozenholics". We could finally be on the slope downward of all frozen things everywhere, but we're real for a minute. You loved the song "Let It Go". Every time I hear the phrase let go I can't help thinking about the song. This post, however, does not concern the Frozen film, nor the song. It goes much deeper.
